## **FACTS + ANALYSES + VIDEOS**

For years Americans have given Israel far more of our tax money than to any other nation, approximately \$10 million per day. U.S. media almost never report this and additional significant facts. A fundamental cause of potential violence against Americans is U.S. support for Israeli actions that most of us would be horrified even to see, let alone fund. For our own safety – and to help make our world more peaceful and just – we must become informed.
