

Israel's 'Security Fence'

Pull it down!

- 55% of the West Bank will be confiscated by and for Israel.
- The concrete wall, which cuts through Palestinian farmland and villages will be surrounded by a 30-100 meter wide no-man's land -- causing even more Palestinians to lose their land.
- The wall will trap 14,000 Palestinians between the wall and the Israel/West Bank border.
- Thousands of Palestinian farmers will be cut off from their land -- and livelihood -- by this wall.

\$ We are paying for it: the US sends over \$15 million to Israel every day.

Relative sizes of the Berlin Wall and Israel's Apartheid Wall

This graphical representation accurately shows relative height and length of the Berlin Wall next to Israel's Wall, although the vertical/horizontal orientations within each graphic are not to scale.

Berlin Wall

96 miles long (155 kilometers). Average height 11.8 feet (3.6 metres).

Israel's Wall

To be at least 403 miles long (650 kilometers). Maximum* height 25 feet (8 metres).

*It is not clear whether the shorter fence sections are a first or final stage of construction
