## DO THE MATH

- A \$1 bill is approximately 0.004 inches thick.
- A stack of 250 bills is an inch high.
- 87,087,000 dollar bills would equal the height of Mt. Everest.
- With 3.8 billion dollar bills stacked up, you could reach the International Space Station in orbit.
- The United States currently gives Israel more than that...

## EVERY YEAR!

Can you think of a better way to spend that money?

Call Congress and let them know.

Find your representative at:
